

**NURTURING STUDENTS'
CREATIVITY
IN YOUR CLASSROOMS**
with
Garfield Gini-Newman
University of Toronto

**THURSDAY, DECEMBER 6, 2018
5:00-8:00 p.m.**

@
Balmoral Hall School
640 Westminister Avenue, Wpg., MB

Building on his recent presentation with Manitoba ASCD, this event will focus on Professor Garfield Gini-Newman's ideas regarding fostering students' creativity and ways teachers can nurture it with their students. He believes that creativity is about seeing the usual in the ordinary. Using various idea-generating strategies, Garfield Gini-Newman will inspire both teachers and students to push their thinking beyond the conventional ways of seeing the world.
